Dear Mr. Heinen,

I am very pleased to verify your reception of KIMM on 26 November 1977. As you noticed, we were running our annual proof of performance at the time you monitored us. As a matter of fact I was just finishing the proof at the time.

Some information on KIMM:
5000 watts daytime with a non-directional antenna
Programming is fully automated

Enclosed please find a map of our approximate coverage area.

Thank you very much for your fine report, and keep up the good DX'ing.

Yours,

Bruce V. Bradfield
Chief Engineer
