This is to confirm the reception of KSDN on
January 16, 1976 at 1:20 AM CDT by Wayne Heinen.

Dear Wayne,

Thank you for your letter. It's good to hear
we are getting out into your area. KSDN operates
24 hours daily on 930 Khz with 1000 watts.
We operate non directional daytime, and directional
nighttime using a three tower array. Thank you
again for your letter. The best 1976 to you.

Sincerely,

Norman C. Anderson
Chief Operator
