CANADA

Dear Sir,

I am very pleased to report reception of CBKF1, Gravelbourg, SK on November 11, 1987 on 690 kHz between 4:33 AM and 5:00 AM CST. Interference was from KHEY, El Paso, TX, and occasional tones from XETRA who appeared to be off regular schedule and testing this morning. At 4:58 am KGGF, Coffeyville, KS signed on and made reception quite difficult. Your signal was fair to poor during the times listed

- 4:33 AM Classical music selections that were indetified by a male announcer in French some works or composers were given in English. this continued through.....
- 4:53 AM "Oh Canada" National Anthem followed by a man speaking in French
- 4:55 AM A woman spoke in French.
- 5:00 AM "Ici Radio Canada" and into what appeared to be news, very poor at this time under KGGF.

Equipment in use while listening to CBKF1 consisted of
