Dear Mr. Heinen:

We were pleased to receive your reception report of October 14, 1985 at 4:56 am. Details are correct, except the on duty Announcer was in fact Jeff Hayes.

The enclosed brochure to DX'ing was of interest as well. We receive dozens of reports each month. I have posted it for the info of our staff.

Your 1984 reception of Dennis Howard at 2:36 am appears correct. I apologize for the delay in this response. It's possible we didn't receive it as the address was incorrect.

Enclosed is a key ring bearing our new logo. Good luck with your hobby.

Yours truly,

A handwritten signature in blue ink, appearing to read 'Dianne'.
