Dear Wayne,

Thank you for your DX report on 620 CKRM. I concur with what you've heard on March 22, 2003 between 10:45 p.m. and 10:50 p.m. Since switching CKRM from 980 to 620 we've been getting many DX reports from great distances in North America as well as from countries like Norway. Its interesting to hear how far this signal travels.

I hope this note meets your requirements. We no longer carry DX reply cards.

Respectfully yours,
