Dear Wayne,

Sorry to be so long about answering you letter, your tape sounds like us, but I can't say for sure because of so much noise. Maybe it sounded better picking it up than it does on the tape. We appreciate it and its good to know that we can be heard at times that far off.

I am encloseing two bumper sticker we just got these's a few days ago. Again thank you for your letter, and sorry to be so long in answering it.

Sincerely,

*Bonnie*
