Wayne Heinen – NOPOH
4131 S. Andes Way
Aurora, CO 80013-3831

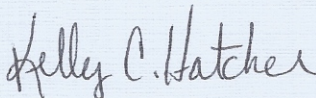

Dear Wayne,

This letter will confirm your reception of KDEI on 1250 kHz between 4:59PM and 5:02PM CST on December 3, 2004. It's been a pleasant surprise to hear from you again!

KDEI operates with a power of 5000 watts daytime and 1000 watts at night. Our antenna pattern is non-directional daytime and directional at night. We operate a 24-hour, seven-day schedule.

We do have 3 other frequencies, perhaps we will be hearing from you again! I found it interesting that the times were identical with the exception of AM and PM.

Sincerely,

Kelly C. Hatcher
Asst. Program Director
