Mr. Wayne Heinen
427 East Caramillo St.
Colorado Springs, CO 80907

Dear Mr. Heinen:

Thank you very much for your letter of February 21. As you stated, you are quite correct in that we were conducting equipment performance tests between the hours you indicated. It does concern me somewhat, however, that you say the tape we are testing with had what sounds to be a commercial or some other extraneous matter contained within it. I believe that this tape contained nothing but music and an identification spoken in English.

I will further investigate and listen to the tape and verify.

Again, thank you very much for your letter.
