Wayne Heinen  
427 E. Caramillo St.  
Colorado Springs, CO 80907

Dear Wayne:

Thanks for your letter. What you heard on 1/17/80 was our proof of performance being conducted. We are a 10 kw Non-directional daytime AM Station with a frequency of 1060 Khz. Why don't you go ahead and send me more information on the Special DX test.

Thanks Again!

Sincerely,

*Al Tarasiuk*
