Aurora, CO 80013

Mr. Heinen,

I am pleased to report that you did in fact hear KNIT on November 14, 2005. Salem Communications just recently sold KNIT to another company, so the format will be changing soon.

Even though we do not own KNIT anymore, I am also the Operations Manager for another AM Station, News Talk 660 KSKY. Please let me know if you pick up our signal.

Good Luck!

David Darling
