Dear Wayne,

Let this letter serve to verify your reception of KTEK-AM on
1110 kHz on November 24, 1989 at 6:45 to 6:53 AM C.S.T.

KTEK is a 2500 watt daytime only station, operating on a six
tower directional array, serving greater Houston. We would have
been operating on low power at the time of your reception.

Enclosed are a few station promotional pieces. Thanks for writing.....and
Happy listening.

Sincerely,

Randy Jordan
General Manager
