Aurora, CO 80013-3831

Dear Wayne:

This letter is to confirm your reception of KTSM-AM on 690 MHz between 9:30 PM and 9:34 PM on December 22, 2002.

The programming items your listed has been checked with our program log and they are correct. KTSM-AM (formerly KHEY-AM) is a 10 Kilowatts station directional, with a four tower array. We have two patterns for day and night with same power. We operate 24/7.

Thanks for your report and keep listening.

Sincerely,

A handwritten signature in black ink, appearing to read 'Enrique Lopez', written over the printed name.
