Tuesday, November 09, 2004

Dear Wayne Heine -N0POH,

This letter will confirm your reception of KVNS on 1700 kHz on 10-1-04.

The program items you listed have been checked with our program log for that date and time verified to be ours.

KVNS operates with a power of 8.8kw during the day 880w at night. Our antenna pattern is non-directional during the day and night as well. We operate a 24-hour, seven day schedule. KVNS AM is transmitted from Brownsville on the south-most border of Texas also known as the "Tip-of-Texas"

Thank you for your report and best of luck in your DX endeavors.

Sincerely

John Munoz
IT Manager, Engineering Assistant
