Dear Wayne:

Thank you for your reception report. At this time we have no weekly or monthly maintenance night. But we hope to in the near future. We will soon be moving the AM transmitter to a new site and tower.

Saturday night the 14th you could be listening, then and hopefully, we'll be on the air early Sunday a.m. the 15th on our new tower.

If you're ever in the area look us up.

Cordially,

Paul Easter
Engineer

P.S. No KVOP bumper sticker available, but here's one for our FM.
