Dear Sir,

I am very pleased to report reception of KVRP on November 12, 1989 on 1400 kHz between 1:58 AM and 2:01 AM CST. I would like to offer the following program details as proof of this reception:

1:58 AM Tune into song "Angel of the Morning"
2:00 AM Full ID "Your Voive of the ~~Royal~~ Plains
KVRP AM Stamford and KVRP FM Haskell (I
think) " Good morning I'm Brian Patrick
with AP Radio News" ...
2:01 AM Faded under the crowd

ROLLING

Your signal was amazingly strong during my reception, enough so that I was able to get almost word for word your rather unique identification. It's very easy to see were your call K Voice of the ~~Royal~~ Plains came from!

ROLLING

Equipment in use while listening to KVRP consisted of a R-390A/URR Army surplus receiver with a 4' box loop antenna. By trade I'm a real estate appraiser and have been a BCB DX'er since 1964. Please find enclosed return postage to facilitate your reply.

If my report is found correct I'd appreciate a verification from KVRP to add to my collection from over 1200 BCB stations. Also, if available any bumper stickers or station promo items to help decorate my "DX Den". Thank You in advance for your time and consideration in answering this report and helping me with my hobby.

Sincerely,

Wayne Heinen
