

Dear Wayne,

This letter will verify your reception of KXYZ, 1320 KHz, Houston. As you may know, we are a 5Kw station, non-directional during the day, and directional in an east-west configuration at night.

We appreciate your report, and hope that you will listen again whenever possible.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Buckley Smith'. The ink is dark and the signature is fluid and somewhat stylized.
