Dear Wayne,

This is to confirm your reception of KONY on September 19, 1988 on 1210 kHz at 6:34 AM MDT. Big O Tire has been a sponsor of our weather program for some time, you were very lucky to have heard that with our ID following it.

We have been operating since June of 1983 when we were KCLG. Since that time we have changed owners, names, call letters, style but we are still the same great country music station we were in the beginning only stronger!

Thanks for your letter, sorry we are so slow in getting back to with a verification of your reception, but we appreciate your interest.

Sincerely,

A handwritten signature in cursive script that reads "Carl Lamar".
