Dear Mr. Heinen,

Your DX letter written to us last September 24th suddenly came to light several days ago. Evidently it had been misplaced here in the station.

This is to confirm that you heard our station on the night of September 23, 1968, 11:48 to 11:53 and logged a test we made at that time.

Best Wishes!

Cordially,

Char. P. Blackley
