Lynchburg's Most Powerful Radio Station

★ A 'CY N. BAHAKEL' RADIO STATION

P. O. Box 1300 Victor 5-3441 Lynchburg, Va.

Dear Sir:

Thank you for your reception report. I am pleased to verify your report as correct.

For your information, we run 5,000 watts of power during the daytime, non-directional operation and after sundown, we shift power to 1,000 watts and operate with a three tower directional array, with most of the signal going eastward.

Again, I am pleased to verify your report as correct for

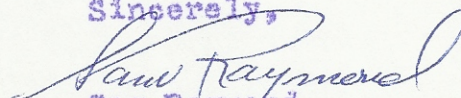

Date:

6/24/66

Time:

1253 - 1⁰⁰ AM

Sincerely,

Sam Raymond
Chief Engineer
