Dear Mr. Heiner:

12/1/65

Thanks for report of reception of WCFR

1480 KC on 8/23/65 at 11:12 to 11:28 EST.

You heard our Prog. Check Broadcast that
we do each 4th Wed. Am (post Tues midnight).

As far as scheduling a dx test I had not better
say for sure this early. You might check again
a week or so before you decide the best time would be.

Yours Truly,

Godon Stearns
