Dear *Wayne Heinen,*

We are pleased to verify your reception of our AM station  
KMBI 1330 kHz on February 21, 1987 from 1:05 am to 1:33 am  
PST.

Our signal is aired by a 1958 Gates BC5P 5kw transmitter and a  
non-directional 200 foot series fed tower. Thank you for  
your report, and we wish you well as you listen.

Sincerely,

*Gordon Canaday*
