CONFIRMATION OF RECEPTION

TO: WAYNE HEINEN

This is to confirm your report of reception of WEAQ Radio on 790 Khz
at 11:45pm to 11:48pm on 12/11/75,
from COLORADO SPRINGS CO.

WEAQ transmits Top-40 type music 24 hours a day, seven days per week.
We are off the air from midnight until 5AM for maintenance, transmitter
tests, etc. each month.

The station broadcasts with a power of 5,000 watts non-directional
daytime, directional nighttime with a three tower directional antenna
system. WEAQ is also an affiliate of the NBC Radio Network.

Enclosed is a National 790 Khz map that was compiled by the National
Radio Club, and the WEAQ nighttime skywave contour map.

Thank you for your report, and happy DXing.
