Wayne Heinen  
427 East Caramillo St.  
Colorado Springs, CO 80907

Dear Wayne:

This is to confirm your reception of WSWW(AM), 1590 kHz, on the morning of 1/26/81 from 12:06 - 12:14 AM CST. Your report was the farthest west we've received here--most reports of our test came from the east coast. Thanks much for your letter.

Sincerely,

*Thomas C. Weeden*
