

03 MAY 84

COGARD COMMSTA HONOLULU
MAHIAMA, HI 96819

DEAR MR HEINER,

IN RESPONSE TO YOUR LETTER DATED APRIL 9, 1984, I AM SORRY FOR THE DELAY WE ARE IN THE PROCESS OF TRYING TO ORDER "QSL" CARDS AND I HAD HOPED TO SEND YOU THE FIRST ONE, BUT DELAY AFTER DELAY MADE ME DECIDE TO RETURN YOUR LETTER NOW, AS I AM NOT SURE WHEN WE WILL BE ABLE TO ORDER THE CARDS.

I AM SURE THE WEATHER BROADCAST YOU COPIED ON 8MHZ WAS AUTHENTIC, I JUST THINK THAT YOU MADE AN ERROR IN CONVERTING LOCAL TIME TO ZULU TIME. THE WEATHER BCST AT THAT TIME USUALLY STARTS AT 0545Z AND SO WOULD HAVE BEEN ENDING AT APPROX 0600Z, THAT IS WHEN WE CLOSE WITH THE REMARKS "THE NEXT BROADCAST FROM THIS STATION WILL BE AT (APPROPRIATE TIME/DATE) ON FREQUENCIES 2670, 6506.4, and 8765.4khz (OR IF APPROPRIATE, A DAYTIME BCST) 13113.2khz, THIS IS UNITED STATES COAST GUARD HONOLULU COMMUNICATION STATION OUT" THIS I AM SURE IS WHAT YOU HEARD, BUT THE CONVERSION FROM LOCAL TIME TO ZULU TIME, IS OFTEN THE MISTAKE PEOPLE MAKE WHEN REPORTING SIGNALS.

I AM ALSO ENCLOSING A COPY OF OUR BROADCAST ~~SCHEDULE~~ ^{SCHEDULE}, I HOPE THIS INTERESTS YOU. ALTHOUGH I AM NOT A SWL'R, I AM AN AMATUER RADIO OPERATOR ALSO AND I DO MY OWN LITTLE VERSION OF LISTENING, AND THE BCSTS ARE KIND OF FUN, ESPECIALLY GUAM'S IN THE WINTER, WHEW!!! TALK ABOUT ROUGH WEATHER IN THE NORTH PACIFIC. WELL WILL CLOSE NOW WITH A VERIFICATION ON YOUR SIGNAL.

~~SIGNAL~~ ^{REPORT}

THE VERY BEST TO YOU AND YOURS. YOU'RE PRETTY MUCH RIGHT ABOUT THE COAST GUARD MONETARY STATUS, NOT MUCH HAS CHANGED. I AM DUE TO GET OUT SOON, IT WAS FUN, BUT, WELL, I JUST THINK I'D BE BETTER OFF NOT IN.

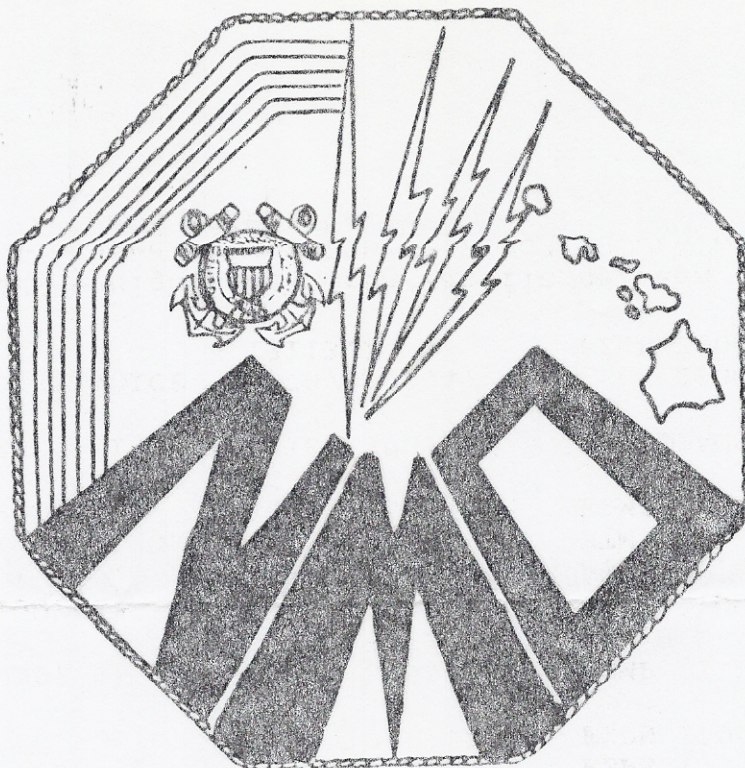

SINCERELY,

Anita G. Morgan

RM3 ANITA G. MORGAN

QSL MANAGER / NMO

UNITED STATES COAST GUARD

COMMUNICATION STATION, HONOLULU, HAWAII, USA

QSL
