77553-1912

1 February, 1988

To: Mr Wayne Heinen
4131 S. Andes Way
Aurora, CO
80013-3831

Dear Sir:

This is to verify your report of reception of this station on January 22, 1988 on 2670 khz at 9:34pm, CST.

For your information, the Coast Guard still uses R-390 receivers on some of our cutters. They are still quite reliable.

Sincerely,

A handwritten signature in blue ink that reads "Timothy Harris".

Timothy Harris, RMC, USCG
