August 17th 1965.

Mr. Wayne Heinen,
126 Linwood Avenue,
ORCHARD PARK NEW YORK,
N.Y. U.S.A.

Dear Sir:

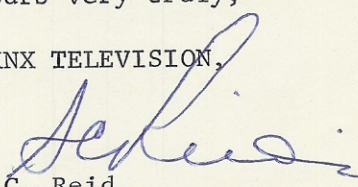

Please accept this letter as our official verification of your reception of CKNX - TV Channel 8 on August 10, 1965 from 11:00 PM to approximately 11:30 PM EDT.

The program information which you have listed is correct and checks with our program log. We are very pleased to have received your report as we do not expect reception of our station at such great distances. We do know that TV reception during that week was unusually good as we were receiving many stations from a similar distance quite well. Its especially surprising, however, with Rochester being on Channel 8 and Buffalo on Channel 7.

We are enclosing a number of pieces of information regarding our TV and Radio Station which we hope will be of some interest to you. We do not have a fall schedule of programming completed as yet. Thank you once again for your interest in our station.

Yours very truly,

CKNX TELEVISION,

S.C. Reid,
Director of Engineering.
