Mr. J.W. Brauner
23 Howard Avenue
Williamsville 21, New York

Dear Mr. Brauner:

This letter is to verify your DX report dated May 15, 1947.
We wish to express our appreciation for your interest in our station.
We were testing out directional array at that time and your
report was an indication of our sky wave reception.

We would like to hear from you in the future if you should hear us again

Sincerely,

Paul W. Ussery
Chief Engineer
