Dear Sir:

In reply to your report of reception of an equipment test broadcast from WCHP on Monday morning March 21, 1960.

I am very happy to be able to verify your reception and to thank you for your courtesy and favor.

It may interest you to know that we were received as far west as Clearlake Highlands, California, and, as far east as Bradford, Mass. This is up to now as we expect to hear from others on later tests.

Thanking you again for your interest and best wishes we remain....

Respectfully yours,

Carl Pugh
