Dear Sir:

This is to confirm your report of reception of Radio Station WEDR on August 23, 1949. As far as we are able to ascertain, your report is correct.

At the time we were conducting tests during the authorized test period. Since WEDR operates daytime only, we doubt if you will be able to receive our station except during these test periods. We, nevertheless appreciate your kindness in reporting on our station.

Since we don't have verification cards printed as yet, we trust that this letter will serve as well,

Sincerely yours,

John F. Cram,  
Chief Engineer
