TALLADEGA, ALABAMA

Jan. 21. 1930.

J. W. Brauner,
17 E. Spring St.
Williamsville, N. Y.

Dear Mr. Brauner,

You were right! WFDW, the voice of Talladega, in the heart of Alabama, broadcasting on 1420 K.C. or 211.1 meters by authority of the Federal Radio Commission, with 100 watts power.

This is a new station and have been on the air only through test programs, for the past week. We expect to be on "unlimited time" within the next few days.

Thanking you for your report and hoping that you will continue to "tune in" on us, we remain,

Sincerely yours,

WFDW Broadcasting Co.,
