Mr. J. W. Brauner
23 Howard Ave.
Williamsville 21, New York.

Dear Mr. Brauner:

Your reception report of WGBA is quite correct and we are pleased to verify it as so.

WGBA's companion station WGBA-FM has been in operation for almost a year now and we invite you to watch for freqk weather conditions wherein a temperature inversion might bring our FM signal booming into Williamsville.

• Wishing you the best in DX,

Very truly yours,

GEORGIA ALABAMA BROADCASTING CORP.
