Williamsville, New York

Dear Sir:

Thanks for your letter of the 17th. We are very sorry your letter was not answered and the only possible explanation we can offer is that we recieved so many cards and letters that your letter was misplaced. I remember answering one of your letters personally before we were on the air, but I dont know whether it was mailed or not, we found several letters the other day that had been misplaced and was a week late in being mailed this of course was the fault of the office force.

This station had a difficult time in getting on the air due to objections of other stations, we came on all of a sudden and was really not prepared as we should have been.

This station puts on DX programs every 15th from 1 A.M. to 6 A.M. CST. We are sorry this happened to you and promise it wont happen again.

Yours truly,

Troy Broadcasting Co.
