Dear Mr. Brauner:

Please accept our thanks for your correct verification of reception of our test program on Friday, December 6th, 1946.

We regret that you had not received a verification on the report you mentioned. It is possible that the report was mislaid as we were very short-staffed back in those days - and anything could have happened. However, if you will send me a copy of your original report I will gladly have it checked with our log on that date and bring you up to date on it.

Thanks again, and with the season's best wishes, I am

Cordially yours,
