1370 KILOCYCLES

250 WATTS

OPELIKA **WJHO** AUBURN

The Twin-City Station

Opelika, Ala.

June 8, 1940

Mr. J. W. Brauner,
17 Spring Street,
Williamsville,
New York.

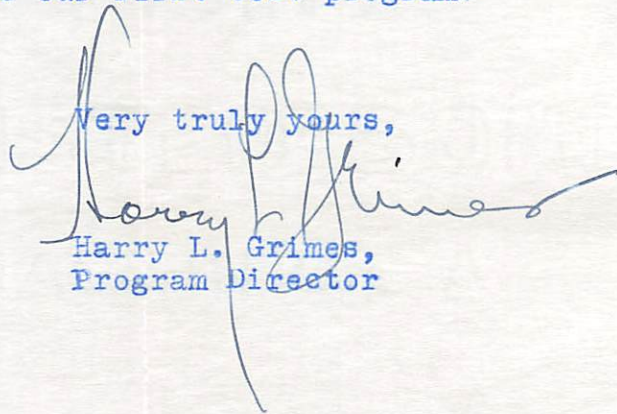

Dear Mr. Brauner:

Thanks very much for your letter of the 7th, reporting reception of our station on that morning. We are, of course, pleased to verify.

The technical information you give is appreciated by our engineering staff, and we might mention, incidentally, that the program you heard was our first test program.

With best wishes,

Very truly yours,

Harry L. Grimes,
Program Director
