Mr. J. W. Brauner
23 Howard Avenue
Williamsville 21, N. Y.

Dear Mr. Brauner:

Thanks a lot for your report on the reception of our signal on February 24, at 1:45 A.M., C.S.T.

I am afraid you mistook the "Marine Hymn" for "Onward Christian Soldiers".

However, your report is sufficiently accurate to merit verification.

We gave our station identification at 1:45, and there could have easily been a minute difference in your clock and ours.

Our Program Director got quite a kick out of your report, as his home is at Medina, which I understand is very close to Williamsville.

Thanks again for your report, and with kindest regards, I am

Sincerely yours,

B. C. Eddins

P.S. You probably did hear us on the 27th of January, as we were testing on that date.

Sorry that you did not get an answer to your report on that date.
