Dear Listener:

This is to confirm your reception report of Radio Station WWWR on 920 K.C. 1000 watts power during at test period. We thank you very much for your interest and your report. We regret the delay in answering your report, but I hope you will understand that it was our first broadcasting and there was considerable work to be done at that time to complete it, including the construction of new studios the first week on the air. Sincerely hoping that this satisfies your request, and again thanking you for your report we remain,

Sincerely yours,

Eugene A. Richards
Eugene A. Richards,
Chief Engineer,
WWWR-Russellville.
