

MAR 19 1931

K B T M, Paragould, Ark.,

Thanks for your communication telling us you heard our program broadcast on MAR 8 1931.

KBTM is glad to receive such reports, and shall be glad to hear further from you should you pick us up again.

We are proud of our 100 watt station which has been branded by Federal Authorities, as the best they have ever inspected.

The program you received is not a regular feature but merely a test program to check up on our modulation and the transmitter.
