

RADIO SALES CO.

RCA Radiolas

Blytheville, Arkansas

April 3rd, 1930.

Mr. J. W. Brauner,
#17 E. Spring St.,
Williamsville, N.Y.

Dear Mr. Brauner:-

Thanks for your letter of March 27th., advising as to your reception, about 3:45 A.M., of the few minutes test we were making at our station, which has brought us several cards and letters from distant states.

Glad you "picked us up" and that we got through to N.Y. very well, with better modulation than formerly.

We are pleased to have heard from you again, because it is such letters as yours that really make life worth living. A little word of praise, now and then, is relished by the best of men, don't you know? THANKS A LOT!

We are moving into our brand-new studio this week, and wish our New York friends could come to our dedicatory celebration next Sunday afternoon. We think it is real pretty, - - for a little town away down in Arkansas.

Hope we are able to reach you again sometime, and if we do, - let us hear from you.

Sincerely,

RADIO SALES CO.
