Mr. J. W. Brauner

Williamsville, New York

Dear Sir:

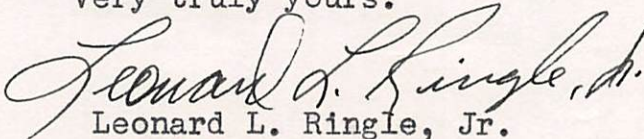

Thanks very much for your complete report on the reception of KRLW there in Williamsville, N.Y., and also for your continued effort to do so for the past five months.

The times you give in your report agree with those of my log . I continued the past the regular check time as I was checking my modulation monitor with a scope. I cut the carrier at 5:25:45.

The announcement made at the breaks in the tone was, This is KRLW Walnut Ridge, Ark. On the air for frequency check with the Commercial Radio Monitor Company of Kansas City, Mo.

Thanks again for the report.

Very truly yours.
