Dear Mr. Brauner:

Thank you very much for your letter of April  
13, 1950.

First, I would like to advise you that we were  
not on the air March test period.

Your reception report is fully confirmed by our  
log for that date. We are very happy indeed to hear  
that you were able to hear us at that point.  
Especially in view of the near sunrise condition,  
in New York.

Our extended range is probably due to our using  
a Clear Channel. We should get out nicely while  
Canada is off the air.

Again, thanks for the excellent report, we will  
be delighted to hear from at any time, or if you are  
ever out this way, please stop by and visit,

Very truly yours,

Edgar B. Pool
