

Mr. J. W. Brauner
Williamsville, N.Y.
17 East Spring St.

Dear Sir:

We are greatly pleased to have your report covering reception of our station. It checks with our log and it is a great help to us to know how our station is reaching out.

Should you hear us again we will count it a personal favor if you will write us and tell us just how we come in.

We are enclosing station stamp.

Sincerely,

K O Y
