Williamsville, New York.

Dear Mr. Brauner:

We are very pleased to confirm your reception of our special program for the National Radio Club between 0131 and 0200 MST February 15, 1953. We were happy to be able to put on this show and only wish that you had been able to hear all of it.

We are surprised that you could receive us with such good strength, as our pattern is tilted south of east. Thank you for your favorable comments on our audio quality, especially pleasing to the writer.

KVNC began regular program schedules August 15, 1952.

Our schedule is from 0600 to 2315 mst Monday thru Saturday, and 0800 to 2300 MST Sunday. Our monthly frequency check transmissions are 0015 to 0030 MST every third Thursday.

Thank you again, and we will report to the NRC after it seems that the reports are all in. Best DX and QSL's.

Sincerely,

Roland R. Wiseman
