Dear Mr. Brauner:

So many nice people have written us the past 2 weeks letting us know they heard us at various times and we do want to answer all the letters - therefore, we want to thank you for taking the time to write us.

Also thanks for all the nice things you said about the Radio Station in your letter of April 15, 1950. Glad to know you are getting us and we hope it won't be the last time. The schedule was correct according to your letter and a check of our log for that date.

Thanks again for taking the trouble to write us and we hope you'll drop us a line from time to time as you receive us. Lots of luck to you.

Sincerely,

Hugh Murray, Announcer
