Dear Mr. Brauner;

This will serve to verify your reception of Radio Station K.B.V.M. on Nov. 7, 1960. At that time we were on the air for a frequency measurement, which we perform ~~quarterly~~ quarterly, generally from about 12:15 to 1:15 AM PST. We are a daytime station & are presently signing off at 4:45 PM. PST. We are on after midnight from time to time for transmitter checks & maintenance. Glad to hear we were coming in clear there & hope you can catch us again sometime.

Sincerely yours  
James E. Cooper
