Dear Mr. Brauner:

Thank you for your accurate listening report of our signal, as reported by you in your listening report of February 16, 1950. We appreciate the difficulty of hearing our station in the East due to the small amount of power being radiated in that direction from our directional antenna system.

Please accept this letter as verification of your report and also to convey our best wishes for many hours of listening pleasure.

Yours truly,

W. Herbert Hartman
