

KCSJ

THE STAR BROADCASTING CO. INC.

590 KC-1000W

CHIEFTAIN & STAR-JOURNAL

BUILDING

PUEBLO, COLORADO

Dear Mr. Brauner

I thank you very much for your most interesting letter.

KCSJ is located on a slight rise $\frac{1}{2}$ mile East & 3 miles north of the heart of Down town Pueblo. We have a Western Electric Transmitter, & we have 2 - 300 ft towers. We are Directional from sun down to sun rise, protection is provided for a station in Omaha Neb. with time for our frequency check we go Non Directional & this is the program you received. If you wish to check further our Frequency Check is the 1 & 3 Sat every month.

12 AM to 12:15 AM

AFFILIATED WITH THE MUTUAL BROADCASTING SYSTEM

H. Kuntzer
