Dear Mr. Brauner:-

We are in receipt of your letter, and are pleased to verify your reception of our program of September 9th.

We have no Ecco Stamps, but we are enclosing, herewith, a sticker of the station, which was made before the present power and wave length were allotted to us, and, under separate cover, we are sending you a souvenir of the station. This, we are sure, will be of interest to you.

We hope that you will be able to tune in on K F W M again. It is our endeavor to present the best to the people in musical, educational and religious features, particularly emphasizing the near establishment of the Kingdom of Righteousness, where all men shall truly know and love our God.

With best wishes, we are

Very truly yours,
