Dear Sir:

We have at hand your communication of recent date setting forth a portion of the DX program broadcast by KFXM Saturday night, October 22nd, from midnight until 1:00 A.M., Pacific Standard Time, October 23rd.

We wish to congratulate you on this reception, as it is no small feat to be able to log a station of 100 watts power at such a great distance.

Your description of our program checks satisfactorily with the one presented by us at that time, and for your information we wish to inform you that KFXM will broadcast a similar DX program each Saturday night at the same hour throughout the entire winter season.

Very truly yours,

LEE BROTHERS BROADCASTING COMPANY.
