Dear Sir:

We would like to express our thanks for a very valuable Report of Reception on our Station. We are also glad to learn that our Station was considered by you as one of the Strongest 250 watt units on the West Coast.

May express our regrets that we were not able to answer your letter sooner, however we were waiting for all reports to arrive here. Your Program Report was very correct.

Please consider this letter as verification of hearing our Station KHUM Eureka, Calif. We are happy you consider this one of those rare verifications, and were happy to learn that you have been DXing since 1927. Thanks also for the wish for the success of our Station.

Sincerely

A.B. Adams
