Mr. J. W. Brauner,
23 Howard Ave.,
Williamsville, 21, N.Y.

Dear Mr. Brauner-

I would like to verify your reception of KOCS, 1510 kilocycles, 250 watts at 1:20 to 1:25 A.M. P.S.T.

Your DX news must have been in error, because we conducted the test between 1:00 and 1:33 with the T & T Radio Measurements co., in Compton Calif., as you reported having heard in one of the announcements. The song which you heard and accurately described was "Never Trust A Woman" by Phil Harris, which we were playing at that time.

Thanking you for your very interesting letter and the information which you sent us, I am,

Very Truly yours,

FLOYD W. HALL, Chief Engineer,

By William E. Jueger
Transmitter Supervisor.
